

Kids' Craft: Faith Flyers

Faith is defined as “a complete trust or confidence in someone or something.” Do you believe that flowers will bloom in springtime? Do you believe the sun will rise in the morning? You have faith that these things will happen. We can have faith in things we can't see or touch, too, like love and friendship. Jesus lifts our hearts and watches over us. We celebrate his birth in the spring, having faith that he rose from the dead. We can lift our voices in hymns and lift our hands in prayer to show our faith. Let's make something else to lift up into the sky. Do you have faith that paper can fly? Let's try!

You will need: this page, scissors, and a paperclip. Feel free to color or decorate your flyer for spring!
