It is the desire of Atonement Lutheran Church to serve its members and the community. We rejoice, therefore, at the opportunity to participate with couples in the planning of their new life together and the celebration of their ceremony of Holy Matrimony.

The primary desire of the bridal party in requesting a wedding at Atonement must be that God is being asked to bless the marriage. If this emphasis can be central, then a wedding can be planned that will be meaningful, beautiful, memorable, and pleasing to all involved. Toward that end please take a moment to read the information on this page and consult with our Pastor before any arrangements are made concerning the service. In order to allow for ample preparation for the wedding and marriage, *six months of time between the time the wedding date is approved and when the wedding is scheduled is required.*

### **1. Arrangements**

The bride and groom should make an appointment to meet briefly with the pastor to discuss wedding dates and Atonement guidelines. Prior to this, no definite date or plans should be announced since they may not fit in with the calendar for the use of the church facilities or the pastor's other commitments.

### **2. Pre-marital Counseling**

Our Pastor provides pre-marital sessions prior to the wedding. The preparation for marriage, dealing with the practical, physical, emotional, and spiritual aspects of marriage is essential for the church's participation in the wedding. Usually there are four sessions. A part of this counseling involves the 'Prepare/Enrich Inventory'. The cost to the couple for the processing of the inventory is between \$29 and \$35, depending on whether the inventory is taken online or via completion of the document in person.

### **3. The Application and License**

*You must allow adequate time to comply with the laws of New York State regarding the marriage license.* The license must be secured *at least* a full 24 hours prior to the wedding and can be from any county in New York State. The license is good for 60 days, and when you apply you must have the current fee and accepted identification with you. The Marriage License should be given to the pastor at the time of the wedding rehearsal and the best man and maid/matron of honor will need to be notified that they must sign the Marriage License before leaving the church on the day of the wedding.

### **4. The Ceremony**

The Evangelical Lutheran Worship Book offers a well-crafted order for worship for the wedding. The worship itself is simple and brief, generally taking no more than one half hour. If the Holy Communion is celebrated or soloists are included, the service may last forty-five minutes to an hour. Regarding Holy Communion, consideration must be given to who will be attending the wedding and purpose for its inclusion. As a Sacrament of the Church, it is certainly a welcome addition to the wedding rite given the proper understanding.

## 5. Music

Music is an important part of any service of the church and is especially appropriate for the wedding rite as it offers a festive sense to the day. A number of questions need to be addressed; is organ music desired? ... will there be soloists or other instrumentalists? ... what is an appropriate fee for any or all of the above? There are a few other concerns as well. Music during the liturgy should be sacred in nature and focused on giving thanks and praise to God for all of God's marvelous acts in our world and lives. Music that is secular or popular in origin is best reserved for the reception or other appropriate times. Traditional processional and recessional music may be selected; however, final decisions on those pieces need to be addressed with our organist. It is anticipated that you will engage the services of our organist. Please make arrangements directly with him/her at your earliest convenience by calling the church office at 442-1018.

## 6. Church Decorations

Decorations should be put in place within a few hours of the ceremony. No decorations may be fastened to the pews with tape or tacks. Altar and floral decorations, white runner, candelabrum, arbors, etc. may be ordered through your florist. The color of the altar, pulpit and lectern vestments will be that of the season on the church calendar. Seasonal banners will remain in place. Aisle candles that the parish possesses may be used and will be placed prior to the liturgy by the Atonement Church liaison.

## 7. Rehearsal

Only those in the wedding party need to attend the rehearsal. If parents are involved in any way they are invited to participate as well. *All participants should arrive promptly.* The pastor will explain the details of the ceremony, suggest procedures, answer questions, and guide the wedding party through the practice of the processional and recessional. The rehearsal should not last any longer than forty-five minutes.

## 8. The Bridal Party

### *Bride*

The women in the bridal party may make use of the Nursery for either dressing or final preparation for the service. This room is connected directly to the nursery and a full-length mirror is present. The nursery also allows a private rear entrance for those concerned with tradition and the bride and groom not seeing each other prior to the service. At the latest, the bridesmaids/men should arrive twenty minutes prior to the service.

### *Groom*

Ushers should arrive no later than thirty minutes before the service begins. Traditionally, relatives and friends of the groom may be seated on the right side of the nave, those of the bride on the left, with the front pews reserved for the wedding party and immediate relatives. Ushers will also be responsible for distributing bulletins for the service. Details of ushering will be explained at the rehearsal.

## 9. Pictures

Photographs of the processional and recessional are permitted, but *no flash photos may be taken between the end of the processional and the beginning of the recessional.* If it is your desire to do so, portions of the service can be recreated after the service to assist your professional photographer, family, and friends in capturing memories of the moments of worship.

It should be noted that non-flash pictures may be taken by the professional photographer *only from the rear of the sanctuary during the liturgy.* This is done so that movement in the front of the chancel is limited to the bridal party and its guests. If pictures are to be taken from the balcony it is asked that the photographer check with the organist simply to make him aware of their presence.

**10. Smoking & Alcohol Policy, Seeds, and Rice**

Smoking is not permitted inside the building, in the parking lot, or on church grounds. Alcohol is not allowed on the church grounds. It is an issue of liability for Atonement, and a policy as well, that outside alcohol is not allowed on church property.

Birdseed and/or rice may *not* be used inside or outside the building as it is easily tracked back inside and is ground into the rugs and floors.

**11. Videotaping**

Atonement Lutheran Church has a policy regarding video taping that states that it is allowed from the balcony of the church. The organist needs to be advised of the fact, and consulted with, prior to the taping.

**12. Camera Policy**

The liturgies of the church, whether they be on a Sunday morning or at times of Weddings, Baptisms, and Funerals, are services of worship and praise of God, focusing on our thanksgiving for God's gifts and offering praise. In keeping with that focus, *pictures of any type are not appropriate within the Sanctuary during the service* (that space being defined as the area with the pews and altar). In instances where there is agreement among the photographer, choir director, and pastor, picture-taking and/or videotaping may be allowed from the balcony.

We will do all that we can to make your wedding a memorable and wonderful moment in your lives as you begin a new chapter as partners in life. Along the way as you have questions, please make notes and bring them with you during the sessions spent with our Pastor. Atonement's Administrative Assistant can also be of help along the way. The church office phone number is 442-1018, and the Email is [office@atonementrochester.org](mailto:office@atonementrochester.org).

*Congratulations!*

*May our God bless your plans and preparations.*
